Melanie,

Thanks for your message. Just so you are aware, we have had extension coordination with the applicant and section 7 consultation with FERC on this project. We may or may not have additional comments per our CWA review. I will let you know in the next week or two if we will have additional comments. We also have a number of reports, maps, etc. if you need additional information.

Federal partners,

MDEQ has informed EPA that the Subject Public Notice (see attachment and link below) has been issued and requires EPA review.

Pursuant to the Clean Water Act Section 404(j), please review the application and inform us if you intend to provide comments to EPA within 15 days of your receipt of this Public Notice and Application. Please provide any comments within 30 days of your receipt of this Public Notice.

EPA's 90 day deadline date is November 25.

Feel free to contact me if you have any questions or concerns,

Melanie Burdick

County: Lenawee, Washtenaw, and Livingston
2016

Public Notice Date: August 29,

Application Number: 2FN-KVF9-9NYS

Applicant: Rover Pipeline, LLC

Project Location: T1N, R4E, Section 34, Putnam Township; T1S, R4E, Sections 9, 10, 16, 21, 27, 28, and 34, Dexter Township; T2S, R4E, Sections 3, 10, 15, 21, 22, 28, and 33, Lima Township; T3S, R4E, Sections 4, 9, 16, 21, 28, 29, and 32, Freedom Township; T4S, R3E, Sections 12, 13, 24, 25, 26, and 35, Manchester Township; T4S, R4E, Sections 5, 6, and 7, Bridgewater Township Washtenaw County, Michigan; T5S, R3E, Sections 2, 3, 10, 15, 21, 22, 28, 29, and 32, Franklin Township; T6S, R3E, Sections 5, 8, 17, 18, 19, 30, and 31, Adrian Township; T7S, R2E, Sections 12, 13, 23, 24, 26, and 35, Dover Township; T7S, R3E, Sections 6 and 7, Madison Township; T8S, R2E, Sections 2, 3, 10, 15, 16, 21, 28, and 33, Seneca Township; T9S, R2E, Sections 4, 5, and 8, Seneca Township, Lenawee County; T1N, R4E, Sections 5, 6, 7, 8, 15, 16, 17, 18, 21, 22, and 27, Putnam Township; T1S, R4E, Section 3, Putnam Township; T2N, R3E, Sections 1 and 12, Iosco Township; T2N, R4E, Sections 7, 18, 19, 30, and 31, Marion Township; T3N, R3E, Section 36, Handy Township, Livingston County.

Regulatory Authority under NREPA: Part 301, Inland Lakes and Streams, Part 303,

Wetlands Protection, and Part 31, Water Resources Protection

The applicant proposes: construct 72.7 miles of a new 42-inch diameter natural gas pipeline, two meter stations, and associated pipeline facilities within Lenawee, Washtenaw, and Livingston Counties. The pipeline will cross inland water bodies, wetlands, and floodplains. One hundred forty-nine mixed wetlands (67.61 acres) will be temporarily disturbed by the construction of the pipeline, using the open trench method. Forested and scrub shrub wetlands will be converted to emergent wetland within the 30 foot wide right of way. The minimum trench depth in wetlands will be 6.5 feet. Forty-five water bodies are proposed to be crossed using the open-cut method and sand bag and flume method. Twenty of these water bodies are regulated under Part 31. Horizontal directional drilling will be used in three locations under streams and major roads. Proposed pipeline trench depths under streams are a minimum of 8.5 feet. Temporary clear span bridges will be installed as needed. Highway, roads, and railroads will be crossed using the conventional boring or directional drilling method. Wetland restoration is proposed. Mitigation is proposed.
